

RESALES APARTMENTS WANTED TO BUY AND SELL

Background: As Club La Santa has become more successful the number of Weeks for Sale has declined. We get requests from owner who wish to change their weeks – either go from school holidays to low season or vice versa. However, they are reluctant to sell their weeks until they have purchased the weeks they want. This creates a stalemate so we thought we would try to help out by offering this page to people. Sales will still be conducted via the ITSO Timeshare Resales Office so the process is entirely safe.

This is a trial and we hope it will stimulate more weeks coming up for sale. Please contact itso@clublasanta.com to add your requests or to inform you have a wanted week for sale.

You do **not** have to buy the timeshare that will be released – but will have first option to buy it.
